

The two witnesses of Revelation are about to appear to all humanity in the final year before the return of Yeshua in year 6,000. They will destroy the Dome of the Rock. Through them the third temple will be built in preparation for the return of Yeshua. They will strike the world with plagues and cause a global drought. The final year before the return of Yeshua will be the "great tribulation."

Humanity has been deceived into believing a false Roman gospel that discards the Torah. The Torah is the Law of Moses. It comprises the first five books of everyone's Bible, which are Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. All humanity must obey the Torah and believe in Yeshua. Yeshua is the true Hebrew name of "Jesus." The commands concerning sacrifices, offerings, circumcision, appointed times, great shabbats, and new moons are exempted from us just as the second generation of the children of Israel in the desert. But all the other commands must be kept. The Torah is for all humanity, not just for Israel.

The year 6,000 since creation is approaching in 2026 AD, which will be the year of the return of Yeshua, and it will be the 120th Yovel year. Yovel years occur every 50 years in the Torah. The year 4,000 was when Yeshua was anointed in 26 AD at the age of 30, and he died in 30 AD. The year 4,000 is Yovel 80. 2,000 years later will be his return. The prophet Hosea confirms this. Hosea says he returns after 2 days, that is, 2,000 years, because it will be the year 6,000. The Jewish AM year is behind 213 years, and the Roman Gregorian calendar does not count years from creation but from a miscalculated birth of Yeshua, which actually occurred in 5 BC, before the death of Herod in 4 BC. From Adam to the calling of Abraham 2,080 years passed. Then 430 years until the exodus of Israel from Egypt. Then another 40 years passed and they entered Canaan in the year 2,550, which is Yovel 51. Then 1,450 years passed until the anointing of Yeshua in 26 AD, which is the year 4,000. Then 1,999 years until Yom Kippur in 2025 AD, thus making that day the year 5,999 from creation, with 1 year remaining to the year 6,000. The genealogies and timelines of scripture prove that 2025 AD is year 5,999 from creation. 7,000 years are appointed for the existence of this earth, with the last 1,000 years set apart, beginning in year 6,000, which is the time of the return of Yeshua, to rule this earth for the final 1,000 years, from the year 6,000 to the year 7,000. The world is not billions of years old. That is a lie.

The mark of the beast is paper money and fiat currency. Revelation does not speak of a literal mark, but it figuratively expresses an evil form of money that all humanity would adopt to buy and sell with, which today is paper money and fiat currency. The money of God in the Torah is gold and silver, whose value is based on weight. But the value of paper money is merely an illusion, which banks use to defraud and impoverish all humanity, first through devaluation, then price inflation, and finally debt. The collective acceptance of society keeps it in circulation, impoverishing everyone. Anyone who has accepted this evil form of money already bears the mark and is already condemned, unless they renounce money. Those who do not renounce paper money and fiat currency will be destroyed at the return of Yeshua in year 6,000, apart from those who also failed to obey all other commands of the Torah. Having no money is a test of faith and obedience in our time. See my YouTube video on this topic by scanning the code below with your cell phone. It is the only video in the world identifying the mark of the beast as money in great detail.

The "prostitute of Babylon" is Vatican City. Every central bank in the world that issues paper money traces back to the Vatican Bank in Vatican City, in Rome. She is the head of the global financial system. She will be destroyed a few months before the return of Yeshua, causing a global financial collapse and all money in the world will enter a state of hyperinflation. Money will be thrown on the streets like garbage. All over the world there will be hunger, riots, strikes, thefts, looting, and chaos. Public services will be disrupted, there will be power outages, and food, medicines, water, and goods will run out.

The antichrist is the succession of Roman popes. This Roman authority was predestined to deceive the whole world with a false gospel that discards the Torah and mixes the teachings of Yeshua with pagan teachings. This succession began with the Roman emperor Titus and will end with the last living Roman pope at the return of Yeshua. They have deceived the world into discarding the Torah in their false global catholic religion and have subjected everyone to their global financial system of paper money and fiat currency.
