

The two witnesses of Revelation are about to appear before all humanity, in the final year before the return of Yeshua in the year 6,000 in 2026 AD. They will destroy the Dome of the Rock. And through them the Third Temple will be built in preparation for the return of Yeshua. They will strike the world with plagues and cause a worldwide drought. The final year before the return of Yeshua will be the "Great Tribulation."

Humanity has been deceived into believing in a false Roman gospel that discards the Torah. The Torah is the Law of Moses, which are the first five books in all Bibles: Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. All humanity must obey the Torah and believe in Yeshua. Yeshua is the true Hebrew name of "Jesus." The commandments that have to do with sacrifices, offerings, circumcision, appointed times, high shabbats, and new moons are exempt for us just as the second generation of the children of Israel in the wilderness. But all the other commandments must be kept. The Torah is for all humanity, not only for Israel.

The Hebrew year 6,000 since creation is the true year in which Yeshua the Messiah will return. The year 6,000 has been taught for thousands of years in the Torah and in Judaism as the year in which the Messiah comes, but it is unknown in Christianity because they do not know the Torah. Humanity has also been deceived into believing the lie that the earth is millions of years old. According to our calculation, the year 6,000 is approaching in the autumn of 2026 AD, based on biblical genealogies and timelines. Yeshua was anointed in the year 4,000 in 26 AD, and he died on a Wednesday in 30 AD.

The mark of the beast is paper money and fiat currency. Revelation does not speak of a literal mark, but figuratively expresses an evil form of money that all humanity would adopt in order to buy and sell, which is paper money and fiat currency. God's money in the Torah is gold and silver, whose value is based on weight. But the value of paper money is merely an illusion, and through it banks scam and impoverish humanity, causing devaluation, then price inflation, and finally debt. And the mutual acceptance of all society is what keeps it in circulation, impoverishing everyone. Whoever has accepted this evil form of money already has the mark and is already condemned, unless they renounce money. And whoever does not renounce paper money and fiat currency will be destroyed at the return of Yeshua in the year 6,000, in addition to not having obeyed all the other commandments of the Torah. Having no money is a test of belief and obedience in our time. Watch my YouTube video on this topic by scanning the code below with your cellphone. It is the only video on YouTube and in the entire world identifying the mark of the beast as money in great detail.

The prostitute of Babylon is Vatican City. Every central bank in the world that issues paper money can be traced back to the Vatican Bank, in Vatican City, in Rome. She is the head of the global financial system. She will be destroyed a few months before the return of Yeshua, which will cause a global financial collapse and all the money in the world will enter a state of hyperinflation. Money will be thrown into the streets like garbage. Worldwide there will be hunger, unrest, strikes, robberies, looting, and chaos. Public services will be interrupted and there will be electrical blackouts. Food, medicines, water, and products will run out.

The Antichrist is the Roman popes. The Antichrist is a succession of Roman authority that was predestined to deceive the entire world with a false gospel that discards the Torah and contains a mixture of the teachings of Yeshua with pagan teachings. This succession of the Antichrist began with the Roman emperor Titus and ends with the last Roman pope alive at the return of Yeshua. They have deceived the world into discarding the Torah in their false global Catholic religion, and they have subjected the world to their global financial system of paper money and fiat currency.
